dedication . . .

. . . of the 1957 La Airosa is hereby made to a member of the faculty who has done so much for the improvement of school spirit in A.H.S. . . .

. . . during this year, emphasis at Sandieland was placed on a revival of school spirit with the hope of producing a Golden Year in our history in athletics, scholarship, service, and all other phases of our educational system.

. . . this hope became a reality, much as a result of the untiring efforts of one who worked unceasingly with students under him, organizations associated to his, and for the betterment of his field in Sandieland . . .

. . . working behind the scenes and giving of his personal time and energies to aid the student body has certainly won him the admiration and respect of all with whom he has come in contact . . .

. . . as a tribute of his service to each of us who walk down the trophy-lined halls of A.H.S., we dedicate our endeavor to our friend, and conductor of the nation's Number One High School musical organizations . . .

editor's note

This La Airosa which has been ours for so long is now yours. Every picture, every line of type, every piece of art work is familiar to us. When the final sheet of copy is mailed to the publishers, the long days and even longer nights of seemingly endless work which have so jealously claimed our time are long past.

The editors owe many thanks—to our friends, who have heard nothing but yearbook talk; to our teachers, who have rarely received our assignments on time; to our classmates who have put up with our frazzled nerves and our sleepy yawns; to our sponsor, whom we never fully pleased; and to many others who showed their interest by just dropping in.

With the final deadline met, we began to approach normal living. Our work was handed in to the teachers on time, we got nearly eight hours of sleep each night, we began to recognize our friends through our clearing-of-the-blood-shot-eyes, and we have relaxed and enjoyed life.

We present to you our edition of the 1957 La Airosa and hope that it will continue to recall to your mind the happy memories of a great year. We have attempted to preserve for you, by a few words and a lot of pictures, the reminders of cheers and wild excitement of football victories; the joy of hearing a classmate's name as the winner of some high award; the laughs expressed in some assemblies; the headaches resulting from a big pep rally; and the smiles of friends in the trophy-lined halls. This book is built of memories—some sweet, some sad, others exciting and still others which hold the emotions mixed in tears, love, joy and excitement never realized.

Thus, we give to you a volume of memories which will always be so dear to us all.

greetings . . .

To The Faculty And Students Of AHS,
Greetings:

The school year, now ending, has been an epoch of outstanding achievement and marked progress. It may not be a mere co-incident that school spirit of AHS should reach a new high water mark simultaneous with the adoption by the La Airosa of school spirit as the theme. It is likely that the adoption of the theme has set the goal for a revival of school spirit.

AHS has long been famous for its school spirit and throbbing life of many activities. Democracy, with its finer meaning of individual self-direction, is a time honored tradition in AHS. Genuine and wholesome school spirit is not simply school noise. Fine school spirit is the result of work, cooperation, loyalty, good sportsmanship and other similar qualities.

Among the various agencies contributing to our wonderful school spirit this year are: The Student Council, the unexcelled work of the cheer leaders, winning teams, excellent publications, and a re-emphasis by the administration of certain fundamental principles of the Honor System, particularly the trust imposed in students and pupil-teacher relations.

I trust it is with pardonable pride that I say to both the students and faculty of AHS that you compose as wonderful a group of school personnel as could be found anywhere. To me you are a Principal's "Dream". Congratulations upon your many outstanding achievements including this superb annual—a permanent record of your associations and activities at AHS in the year 1956-'57.

Sincerely yours,

. . . r. b. norman

AS THIS school year ends, it brings to a close, a year filled with new friends, opportunities, and experiences. For we seniors it is the close of a whole way of life—the ending of the period which has long been known as the happiest days of our lives. With graduation we end our childhood and take the step to maturity.

It has been a great year, brimming with many exciting events—a year which has brought us wonderful memories to cherish and remember. What a thrill we had when the Victory Bell returned to A.H.S. as the Sandies were declared District Champs. We developed new friendships as we worked together in the many organizations of A.H.S. We experienced a feeling of devotion, inspired by such programs as the beautiful Christmas music of the Bel Canto Chorale. Who will ever forget the fun we had at the Student Council's Sandie Stomp or at the Popularity Ball? We seniors finally realize what devoted and true friends our teachers are, and we discover the full value of this process called "education" that we have been working for these past twelve years.

Now the year comes to a close. We stop to think how much friendships mean to us, friendships which have come through the years and will last forever. Some will grow and become even stronger: some will become only wonderful memories that will never be forgotten.

And so we seniors proudly but reluctantly leave A.H.S. to those who will follow us. The things which are good, we leave with pride. We hope you will make good use of them. And those others which are not so good, we challenge you to improve.

And now more than ever the true meaning of the Alma Mater is ours.

"We'll sing your worth, o're all the earth.

Of schools you are the best.

In books of fame we'll write your name.

Oh, A.H.S.!"

You do me honor,

Howard has been a Thespian this year in addition to his military duties, which have taken most of his time in Sandieland.

who's who

who's who

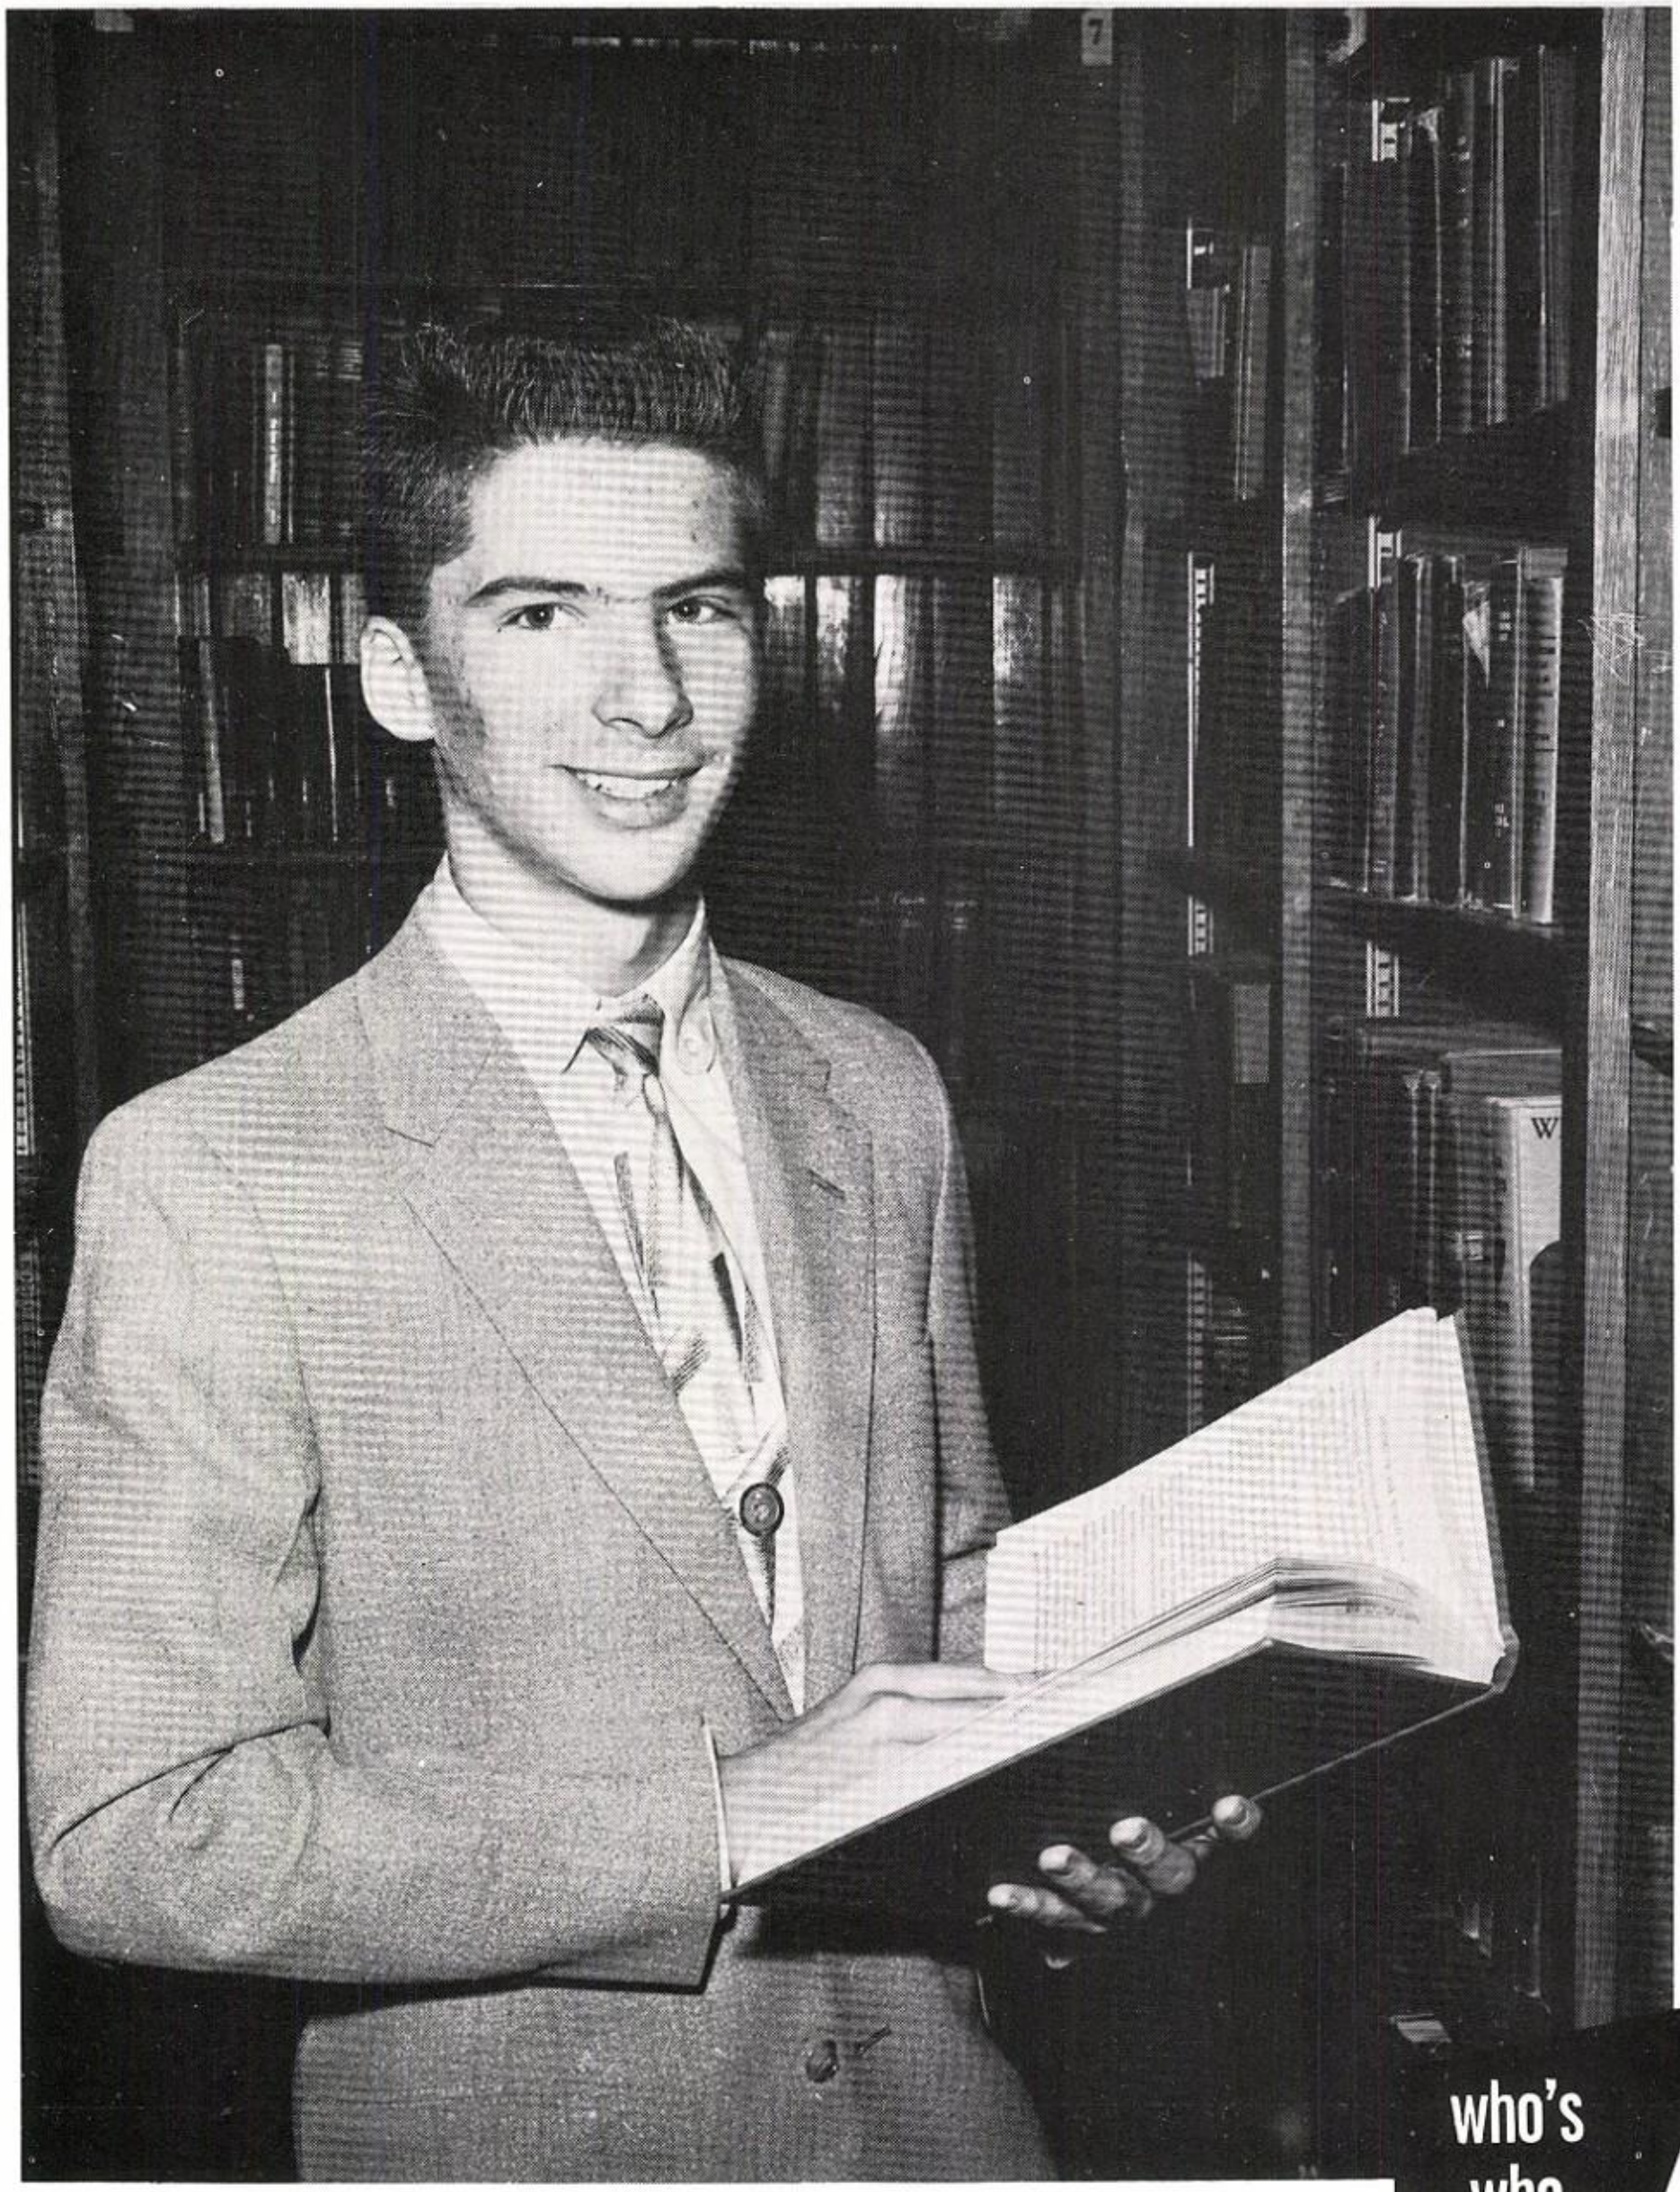
tom laceky . . . edited the pacemaker in American high school newspapers this year when The Sandstorm took a real tabloid format. Tom served as editor-in-chief of the paper, and is a ghost writer in this volume. He participates in Thespian work, and is a member of Ken Klub, National Honor Society and Quill and Scroll.

who's who

rosamond rawlings . . . has distinguished herself in the work in music at Sandieland. She is an excellent pianist, singer and arranger for ensembles. She's a three-year member of the choral music department, a Modern Music Master, a member of the National Honor Society, Ken Klub, Interclub Council, Allied Youth, F.T.A., and The Sandstorm staff.

who's who

jimmy weston . . . is the second junior in the history of A.H.S. to be named the most valuable player in a major sport. He is a three-year letterman on the Sandie Baseball Team, president of Allied Youth, a Vigilante, and a member of the National Honor Society.



who's who

charles deahl . . . is president of the A.H.S. Student Council, and has been instrumental in the school's first parking lot acquisition. Charles was a delegate to the European convention for Student Council officials last summer. He is a member of the Bel Canto Chorale, Ski Club, National Honor Society, Ken Klub, and Internos.

Dear Carol Ann,
It has been a lot of fun knowing you this year. Lots of luck to you in the coming years.

season summary

Came September of 1956, and with it came football in all its glory. The Golden Sandstorm from Amarillo howled across the Texas plains with its deafening scream of victory echoing from the streets of Cowtown to the reservations of the Redman's land, Oklahoma. The Sandies were the surprise of the state as they continued to win game after game, ignoring the predictions of many of the sports scribes and other learned people to the contrary. It was Amarillo's first year in a new district, but instead of playing the role of a guest, the Sandies somehow seemed to be leading everything. The first victory came September 14, when the Capitol Hill Redskins bit a new kind of dirt and didn't like the taste of the 47-6 defeat. After that came the Paschal Panthers of Fort Worth. They dragged a 36-7 can tied to their tail. The number two team in the state, Wichita Falls, managed to dump the Sandies 23-12, but Odessa's Bronchos were not so lucky, getting saddled with a 27-20 defeat. October 19, saw the first District 3-AAAA game get under way, and also saw Amarillo trounce Pampa 28-0. The following week was almost a repetition of the last, with Amarillo grinding the Monterey Plainsmen into the Amarillo-type sand 34-6. Plainview was Amarillo's next victim, getting mashed 62-7 on their own field. Amarillo was undefeated in district competition after playing half of the scheduled games. Amarillo's traditional rivals from that small south plains city of Lubbock, the Westerners, wished they had gone west, young man, after the Sandies filtered down their collars and blinded them with a score of 38-20. Borger came next and fared no better than any of the other unfortunates, losing 47-7. With only one game to go, the Amarillo Sandstorm was still unbeaten in district play. The climax of the season came on November 24 when Amarillo powered past their sister school, Palo Duro, 27-7. The Sandies were district champs for the first time in eight years! Amarillo was destined to meet their previously defeated rivals from Fort Worth, Paschal, the following week in bi-district play-offs. After playing six weeks straight without a let-up, the Sandies just did not have the steam, and fell to the Panthers 13-7. And so the team which won five out of ten the season before spit right in the forecaster's eye and won nine of eleven games, a district championship and a victory bell all at once. After being rated 15th in the state last year, the Sandies closed the season in 6th place.

SANDIES - CAPITOL HILL

ne Capitol Hill Redskins got some sand in their ves on September 14 when they met the Golden ndies and found themselves on the short end of 47-6 score. Led by the sparkling extra points by oyal Yarbrough, the Sandies romped and played over the field at once. The harried Redskins anaged one lone score, but just for spite, the HS boys blocked the extra point attempt. David ssell, junior half-back, set the example for the marillo cleat stars by scoring the first two touch- owns of the game from 19 and 46 yards out. oyal successfully kicked both extra points. Junior arterback Soapy Sudbury tallied for Amarillo xt, followed by junior end Joe Ted Davidson. At e half the score was 27-0. Six plays after the ening kick-off for the second half, the Sandies d gone 73 yards for another TD. An intercepted ss and a determined drive took the Sandies ross twice more to put the score at 47-6 when e game ended. The Sandies had won the first me of the 1956 season. The Redskins went back the reservation to elect a new medicine man.

SANDIES - PASCHAL

At the second game of the season, the Sandies showed the Paschal Panthers what real "cats" were as they rocked and rolled to the tune of a 36-7 victory. A touchdown and a safety in quick order put the Sandies out in front 9-0. Royal Yarbrough had kicked four extra points for the four touchdowns the Sandies had scored in the first half, putting the score at 29-0. A running pass from David Russell to Jimmy Cobb brought the score to 35-0, and Yarbrough's kick made it 36-0. Paschal's lone tally came midway in the third quarter, but it was "too little, too late." In an attempt to keep the score down, the second string was sent in during the second half. The Panthers found themselves hissing at "The Tigers" as they are called. But hissing was about all they could do, because the game ended Amarillo 36, Paschal 7.

SANDIES - WICHITA

he Wichita Falls complacent Coyotes got a jolt hen they met the Amarillo Sandies: The Amarillo oys didn't seem to understand that Wichita was he No. 2 team in the state, and that Wichita was n easy winner. The Coyotes had to revise their hinking when they went in at half time trailing 12-7. must have been a blow to their ego, because hey came out fighting mad in the second half and acked up two touchdowns and a touchback to give hem a 23-12 victory. Although the Sandies had a ierce determination and 2000 hysterical fans to ack them up, they were no match for the power- ul and smooth-working Coyotes. That old saying hat, "It matters not who won or lost, but how YOU layed the game," must be true, for the Amarillo oys earned more respect and admiration in losing o Wichita than they did by winning the two revious games.

SANDIES - ODESSA

The Odessa Bronchos made the mistake of stirring up a dust cloud which turned into a Sandstorm when they trotted onto the field October 5. The Sandies were riding high and were not going to let a herd of "nags" stand in their way. They did not, either, as they scored four out of six times they had the ball during the first half. Amarillo's first six plays put Billy Hulett across for six, and a few minutes later Soapy Sudbury got the scoring urge. Sudbury's tally, along with Royal Yarbrough's kick, made it Amarillo 13, Odessa 0. David Russel was the next Sandie to prance across Odessa's well-worn doorway, and he was followed by Sudbury. The Sandies paused between touchdowns only long enough for Royal Yarbrough to kick the extra points, of which he made three out of four. The Bronchos were determined, however, and after scoring one touchdown in the first half, they came back to scrape up two more during the second half, and the game ended Amarillo 27, Odessa 20. The Sandies had won three out of four. While Amarillo was celebrating, Odessa was wondering what had happened. This was the first time they had lost to Amarillo in 15 years. They shouldn't have felt bad, though. A lot of teams were losing to Amarillo that year.

marillo handed Pampa one of the most embarrass-g and thorough defeats in the history of the two ams on October 19. Defeating the Harvesters -0, the Sandies had a field day, romping all over e field. It was the first District 3-AAAA contest, d the Sandies had no intentions of starting the ason off wrong. David Russell set the pace when ripped through the Harvesters for the first score the night. The extra point was good, putting e Sandies ahead 7-0. Another touchdown ended e scoring for the first, Amarillo 14, Pampa 0. e Sandies only picked up one during the third arter, and another during the fourth, but it was enty to start Amarillo on its way to a district ampionship. The Sandies' yardage in the second lf totaled 205, Pampa's, minus 4. Amarillo made first down, Pampa only two. It was a humiliating feat for the Harvesters, and a great way to gin conference play for the Sandies. The Sandies d the first win under their belts; they had only e to go for the championship.

SANDIES - MONTEREY

By this time the Sandies had a victory gleam in their eye that should have told everyone to move aside. For the first time in eight years the Amarillo boys had caught the scent of a district championship, and trampling the Monterey Plainsmen 34-6 in the second conference game was merely another step in the right direction. Billy Hulett started things off for the Sandies by scratching six points early in the game. Royal Yarbrough kicked the point (by this time this accuracy was becoming a habit) and the score stood at 7-0. A 48-yard pass play from Soapy Sudbury to Joe Ted Davidson put six more on th score board, and Yarbrough's kick, was of course, goo Amarillo 14, Monterey 0. David Russell scored next, ar the total stood at 20-0 at the halfway point. Anoth Sudbury-Davidson pass play obtained the next six, ar Yarbrough's kick was, of course, good. Even after sending in the econd team, Coach Joe Kerbel found the score Climbing like a homesick angel. Doug Veazey scored wo more, and Bryan (The Beast) Riner accounted or another. SANDIES - LUBBOCK

Despite the fact that the Westerners opened the scoring, which was an unusual situation for the Sandies, Amarillo bounced back in the second half of the fourth district game to defeat their traditional rivals 38-20. The Westerners were a new proposition for the Amarillo boys; they were fast, powerful and accurate. For the first time in district play the Sandies failed to go into the second half leading. During the first half the Westerners made marches of 72 and 76 yards to score two touchdowns and two extra points. The Sandies, not to be outdone, stole some marches of their own, which went for 65 and 85 yards. Royal Yarbrough's extra points tied the game up at 14-14 at the end of the half. They may have had to fight for their lives during the first half, but the final half was all the Sandies'. Two more long drives of 79 and 73 yards made it 28-14 for the Amarillo Sandies. Lubbock connected for a long pass and narrowed it to 28-20. As far as that night was concerned, the Westerners were through. Another touchdown cinched the evening for Amarillo, but just to rub it in, Yarbrough booted a field goal to make the final score Amarillo 38, Lubbock 20.

sandies over dons, 27-7, in historic meeting

SANDIES - PALO DURO

Amarillo Stadium saw the biggest crowd in many years on November 24, and it wasn't all because of the District championship, either. The Sandies were meeting the Dons, from the new high school across town. Many of the boys who would be meeting each other that day had played together some before. The Sandies took the lead early with a touchdown and the extra point, making the score at halftime 7-0. The Dons bounced back to return the ball to the Sandie three yard line on the opening kick-off of the second half, but the Sandies dug in and held on grimly. After getting control of the ball, the Sandies started a 96-yard drive from their own end zone to mark up the next tally. Amarillo 13, Palo Duro 0. Soapy Sudbury, David Russell and Jerry McGinnis all scored after that, and the Dons managed to squeak one across. When the final gun sounded, the Sandies had won the district championship, beaten Palo Duro for the first time in history and had won a victory bell besides. We had won district champions, now all we had to do was defeat Paschal of Fort Worth to win Bi-district.

SANDIES - PASCHAL

The winning of the district championship by the Sandies brought the chance to play in the bi-district playoffs against the Paschal Panthers, whom Amarillo had defeated 36-7 in a pre-conference game. The Sandies were riding high, and everyone was figuring on an easy win. The Panthers, however, took a different view and defeated Amarillo 13-7. Cashing in on a Sandie fumble in the first quarter, the Panthers made their first touchdown early, and made the extra point. A 23-yard run marked up the next Paschal tally, but this time the extra point was no good. The second half opened with the Sandies trailing 13-0. The two teams battled it out for the next 14 minutes, then Billy Hulett lashed around end for the lone Amarillo score. It was a do-or-die battle after that, but the Amarillo eleven ju couldn't muster enough to push the t ing touchdown across. The game ende Paschal 13, Amarillo 7. Even though w had not won a chance to play Abilen no one in Amarillo considered the se son lost. The Sandies were champion and in the eyes of the AHS student they were champions in more ways tha one. The fans looked toward next se son when many of the same boys wou be back for another try at the footba fortune wheel. Coaches Kerbel, Sir mons and Moulton, along with the staff and student assistants certain made Amarillo and the Golden Sprea proud of their efforts. Losses like th bi-district encounter are tough to tak but prediction herewith is that Sandi of the future will seldom take an o ponent lightly.

1957 golden sandie basketball season

The Golden Sandie Basketball Team compiled a season of 12 wins, 9 losses and split even, 6-6, in conference competition. The season opened with the Sandies at home playing Clovis on November 30, the night before football season ended at Amarillo Stadium. The largest crowd of Sandie supporters were on hand to open the season. A pep rally was held between the "B" team and varsity games.

In 3-AAAA conference activity, the Sandies lost two games each from Pampa and Borger, the conference leaders, one from the Bulldogs and Plainview and one from their cross-town rivals the Palo Duro Dons. This was the initial victory for the Dons over an athletic team from Amarillo High School, 68-64.

All games for the Sandies were played at the Fair Park Coliseum, as were both Palo Duro-Sandie games. The Sandies had one of their tallest teams in years and compiled a fine record, although they did not place higher than third in the conference play. Outstanding for the Sandies were seniors Wendell Cason, Bob Taylor, Danny Lynch, and Bobby Hutto, one of the team's sparkplugs who was injured during the season and saw limited action in the final games.

T. G. Hull served as head coach and Charles Bacon tutored the "B" team.

track season summary

The 1956 Sandie Track team had one of its better seasons with the addition of a new head coach in Dan Salkeld. The season opened at the Border Olympics where Billy Walker took a first place in the 440-yard dash. Following this opening, the team attended meets at Snyder, where the sprint medley team, Walker, Gene Cox and Jim Parr took firsts; the West Texas Relays, where Parr took a first in the 880-yard run; the Blue Bonnet Relays, where Walker, Parr and the mile relay team took firsts; the ABC Relays, where Walker, Parr and Cox took firsts; and the Red Raider Relays, where Parr, Cox and Bayless Bennett, in pole vaulting took firsts. At the first annual Amarillo Relays (formerly the Sandie Relays) the team took the team trophy, and individual firsts went to Keith LaFon in the 220-yard dash, Walker, Parr, and the mile relay team with Johnny Cruz, Billy Hulett, Walker and Parr.

In Interscholastic League competition on the district level, the Sandies won hands down with firsts going to Walker in 440 and broadjump, Cox in discus, Ronnie Davis in pole vault, Clinton Moore in 120-yard high hurdles, Parr in the 880, the 440-yard relay team, and the mile relay team. This was trimmed at Regional Meet, where Parr set a new 880 record, two firsts for Walker, Parr, Cox, Bennett, the 440 relay and the mile relay teams. At the state meet, Walker placed third in the 440-yard dash; the mile relay team, Parr, Cox in both discus and shot, all placed fifth; the sprint relay placed sixth and Bayless Bennett came in seventh in the pole vault.

Walker was named recipient of the Amarillo Globe-News Most Valuable Player award for the second time, a precedent; Jim Parr received the George McCormick Sandie Spirit Award.

baseball season summary

Advancing to the district play-offs after winning twenty of twenty-two preliminary games, the 1956 Amarillo Golden Sandie Baseball team made a clean sweep of the district games. This was the first time in history that this had been accomplished by any team. Following up this outstanding victory by winning two straight games from El Paso in the bi-district games, the Sandies dropped a heart breaker to Highland Park of Dallas to fall out of the state competition.

In traditional Sandie style, the baseball team has been to state competition more than any other team in the state.

The Sandies opened their season at Lawton, Oklahoma, taking an opening defeat of 10-0 at the hands of the Sooner State team. In other games with Lawton, the Sandies won one, 16-4, and lost 3-2 and 2-1. Only one other defeat, this at the hands of Capitol Hill, 22-18, and the Sandies had only one close call, a 5-4 game with the Palo Duro Dons, when the two schools met for the first time against organized team effort.

In bi-district games with Austin of El Paso, the Sandies won the opener at Amarillo 8-6 and took the same team, 8-3 at home.

Jimmy Weston became the second Sandie in the school's history to win the most valuable player award from the Globe-News as a junior. Edwin Rice was named to receive the Sandie Spirit award.

The Sandie wrestling team under the able coaching of Mr. Eldon Jackson had an outstanding season. The team won many dual meets and had many outstanding individuals.

The wrestlers won dual meets from Holly, Colorado and Capital Hill of Oklahoma City and dropped a close decision to the Lamar of Colorado team.

Some of the outstanding members of the team were Don McRoberts, Santos Tenorio, Bobby Cotter, Hugh Potts, Bobby Johnson, Ted Broome and Miki Davis.

The wrestlers are probably the most underwritten athletic team at AHS as they hardly ever lose a match.

activities begin with registration

OH MY! . . . Mrs. Mabel Rogers signs up two students in her biology classes during registration.

JUST A QUARTER . . . Student Council members urged everyone to mark their automobiles with tags.

Yes, the Student Council completed a dream of some four years by turning the north side of A.H.S. into a parking lot. Places were chosen democratically, with a drawing for places before school one morning at 7:15 a.m. The building had another "new look." During the summer the trees immediately in front of the building had been taken down and concrete poured from the sidewalk to the street. There was green grass and the Texas Flag joined the Stars and Stripes on the new flagpole. We went to our homerooms, then to that favorite teacher, and on to the line to have our yearbook picture made. We had some new faces in the faculty since the last spring. Some of the alumni were around to advise us which teachers to take and what subjects to avoid.

Then came opening day, when we began that day as we did all the rest, with the morning devotion from the auditorium. We had six periods and a homeroom meeting. We learned that our exchange student was a girl named Leena from Finland. The Allied Youth sold us memberships and shakers for the football games. The Student Council sold car tags to help us show how very proud we were to be a Golden Sandie in 1956-57.

This was to be the beginning of a Golden Year in the buildings on Polk and Tyler Streets. The last year for some, and the fresh start for countless others.

The last session was out in June. This one opened in August. Whee! In July there were no classes, except for those who accelerated their learning program with classes in summer school. It was a hot, sunny day when we came back to the hallowed halls of Sandieland for another year of books. We had a lot before us: a winning football season, some new yells, new faces, new friends, new ideas, new learning. It was like coming home after being away for a while. The building was clean and the parking lot was ready for us.

The question of what kind of mascot for the team was settled by the cheerleaders in an August meeting, when they came upon the idea of the character. Students were not in on the idea until he made his debut at the Capitol Hill-Sandie game. The box was presented to the team during the pep rally at school, and not opened until the game. Many students thought it would be a wind machine to blow up dust at the games. Others thought it would be an animal of some kind. Few even guessed even when the Sandie band began the strains of the once-popular "Mr. Sandman" song. As the weeks went on, Mr. Sandman fought coyotes, broncos, bulldogs and the like at the Sandie games. He was a permanent character with the pep rallies at Sandieland. At last, A.H.S. had something called a mascot.

red candles

As it had been done at the University of Texas and other places, the students of Sandieland took red candles out into Memorial Park, lighted them and sang their Alma Mater to hex the Harvesters of nearby Pampa. Coach Joe Kerbel, his staff, and the entire Golden Sandie squad met with some 600 enthusiastic supporters, the yell leaders and the Golden Sandie band to let the people in South Amarillo know that the Pampa Harvester was to run out of gas the next night. In semi-cold weather the students made a semi-circle around the band at the pavilion and yelled their new yells and sang their new songs. This was the initial function of the Vigilante group who aided in preparations.

After the fun and noise of the march ended, students found themselves in the yard and street of the E. H. Selecman home at 2600 Lipscomb. The hostesses were the Sandie cheerleader females, whose parents and friends had helped provide multi-trays of goodies for the starving crowds. The local Dr. Pepper Bottling Company had provided drinks from their plant at no cost to the students and the Palo Duro Ice Company furnished the ice. In all, it was a fine evening for food and frolic. In the Selecman pool and yard and garage, the cheerleaders had placed signs of the past games and made tombstones of the games played. Marching students placed their candles on the Pampa "grave" and lighted the whole area.

Neighbors joined into the fun and called the police to join in also at one time. A street dance was held with music from a juke box furnished by a student from A.H.S.

The party lasted until almost the midnight hour. At the last count, some 1200 Dr. Peppers were consumed, along with countless cookies, sandwiches and other refreshments. Reports from immediate neighbors to school officials were that Sandies acted like ladies and gentlemen under conditions which could have produced mass hysteria. It was another first for the year at Sandieland which we were beginning to really call the Golden Year. In passing, it might be worthy to mention that the Sandies took to the field the following night and won over the Pampa Harvesters by a score of 28-0. . h. s. goes collegiate ith a card section

With the coming Palo Duro vs. Sandie game ound to attract the largest football crowd n the history of Amarillo Stadium, the cheer-eaders asked the girls' physical education lepartment to take over the card section lans, and they did just that. Mrs. Billie Bar-on and Miss Jane Williams, with the as-istance of Mrs. Gary Singleton and Mrs. Doris Foreman began working with the stu-ents. These pictures don't begin to show the ifficulty in planning for the half-time show.

Prior to the Palo Duro Don - Amarillo Sandie grid test came the battle of the pep rallies. The Dons had theirs in the Palo Duro gym, the Sandies in the A.H.S. auditorium. Radio Station KLYN broadcast both pep rallies twice that day. The Sandies thought theirs was the better spirtied event. In the auditorium were the usual band, the usual cheer leaders, the usual black and gold crepe paper, but the stage was differently attired. Many question marks were all over the place with signs "Got That Spirit?" "Will We Win?" and "Ain't We?" overhead. Then, Mutt Foul, the foulest mutt on the Golden Spread recapped the Sandie season with the aid of five Sandiettes and several young lovelies who posed as mascots of the opponents' teams. The end of the story was to be the morrow on the gridiron at Amarillo Stadium. That evening, Sandie supporters rang cow bells in Memorial Park.

After weeks and weeks of charting, cutting cardboa

approval of this new look from the students. Those so
660 students who volunteered to be Sandie Voluntee

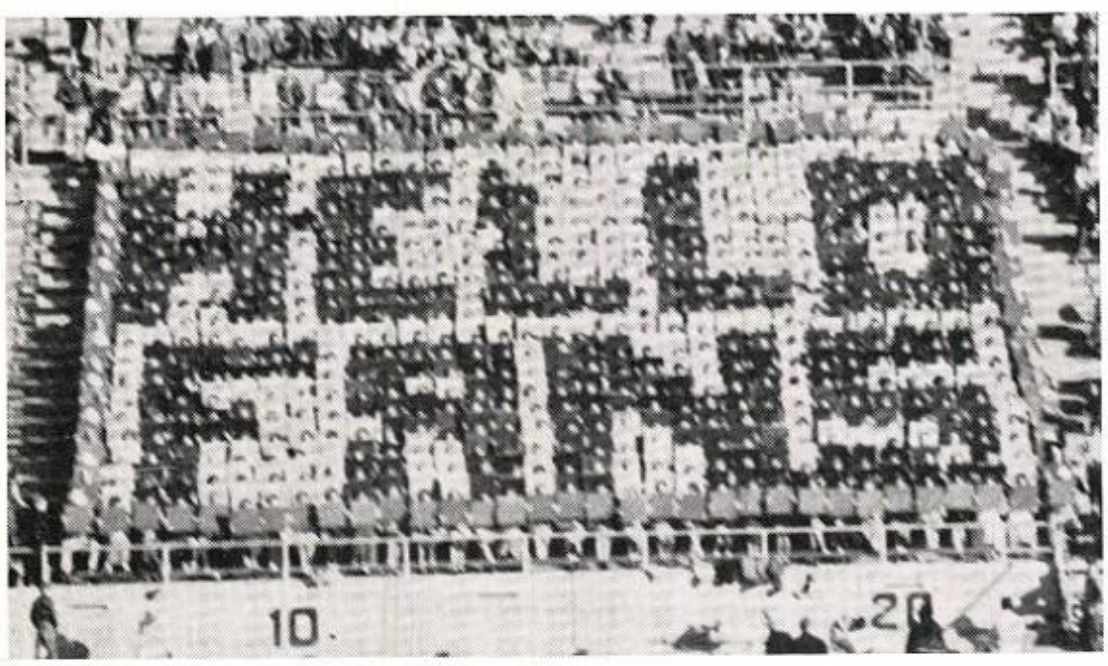
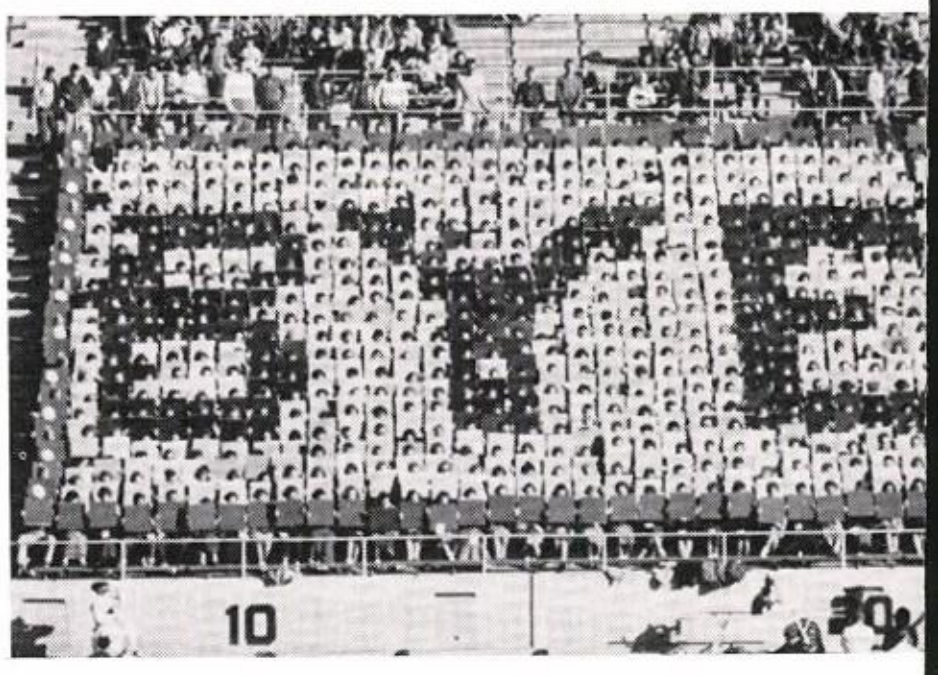
then it was that last weekend with panthers

The Golden Sandies had won their first district championship since 1948. It was the weekend of the bi-district game, against the Paschal Panthers of Fort Worth, whom the Sandies had taken long before in a non-conference game. Confidence was so high that the fans were waiting for the following week when the Sandies were to play the Abilene Eagles for the quarter finals. But, Paschal was ready. All the yelling and ringing of the Victory Bell couldn't win the game. One thing was certain, football season was over at A.H.S. and the students had yelled their hearts out for their team for the last time.



SALUTE . . . to the fans was made in the second appearance of the section at the Paschal game.



BYE . . . was only for the stunts, and not for the season as announcer pointed out!

NAL RALLY . . . was held in the auditorium on Wednesday before the Paschal game. It was just another rally, we were going to win, it was in e cards. We could feel the lack of interest even then, and more so when we needed 660 students to fill the card section and didn't get 'em.

OSTERS . . . were sent from the Sandie Booster club to inspire the m and speak for the pep rallies. This man was transplanted from bbock.

The Golden Sandie and was one of six high school bands invited to play in the Cotton Bowl game at Dallas. After representing AHS in the pregame activities before the tremendous crowd, the members retired to their seats in the stands and watched as TCU walloped Syracuse 28-27.

The honor of the invitation came partly as a result of the band's sweeping honors at the Tri-State Band Festival, which was held at Enid in the Spring of last year. Because of the complete victory accomplished by the AHS bandsmen, they were named the top band in the nation.

Working in co-operation with the other bands invited, the Sandies marched and played selections for the multitudes who were watching.

new faces shine, sing in popularity musical

February 2, the night of the Popularity Ball at AHS saw the opening of one of the most entertaining musical productions to hit the stage in years. It was the AHS version of "New Faces." Happy love songs stood beside such gory numbers as "Love Is a Simple Thing," Charles Addams version, and the singing of footballer Billy Hulett and Peggy Rittenberry. The opening and closing choruses had personnel from the La Airosa staff, featuring Don Emory and others. Highlight of the show was the kiddie song of Bever Bates and Don Landis. The show also included the antics of Tom Laceky as MC, Malcolm Cooper as the case taker-to-court, and Byron Riddle as the messenger boy. Georgia Ehly did the dance steps and Rosamond Rawlings played the accompaniments.

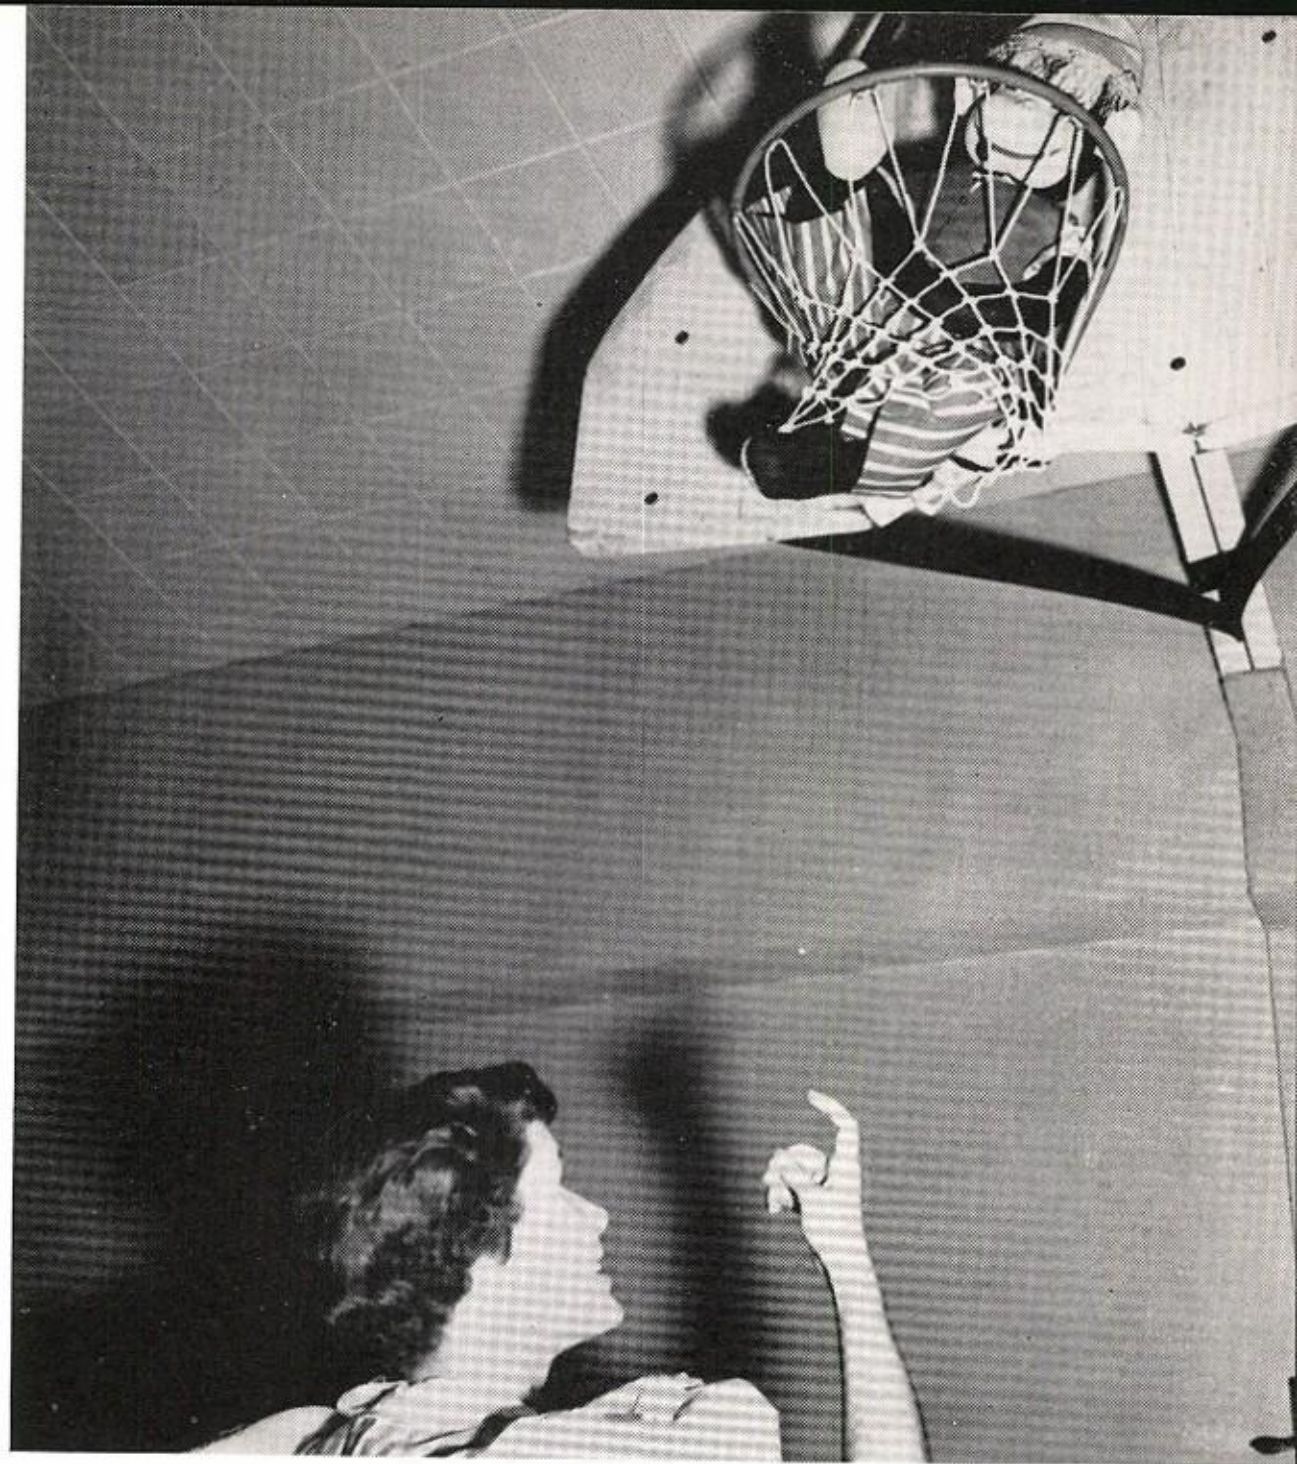
even at a.h.s. kids have their own day

Somewhere along in April or early May the seniors, tired of the burden of twelve long years of adulthood turn the tables on time and dress in their pre-school attire and get the halls real dirty playing and romping for a half day, then they turn out into the big city and go to a picnic, ride rides and go to the movies. All this is after the annual Kid Day program in the auditorium, to raise funds for the other Senior activities which include the Junior-Senior Prom, the Senior Banquet and commencement parties.

Every year, the La Airosa staff is forced, due to an early deadline, to pick from the senior class representative students who can borrow someone's old Kid Day costume and come up in the cold of February to romp and play for the photographer. Therefore, if you do not recognize these as the true Kid Day clothes, or the wrong crowd, forget it, and just be happy that you got your annual before the Fourth of July picnics.



GAIL STALLINGS AND JIMMY COBB ARE IN FOR IT, BELOW, AS ANN SELECMAN SEARCHES, ABOVE.

UPSY DAISEY .... "Tuggie" Tuckness leaps over frog Larry Sullivan in the main hall, real high!!

EATING AND ROMPING ... starts with the All-Day sucker as Joy Lindsey shares hers with the boys.

FISH, WHAT DO YOU KNOW ... Brenda Blackwell and H
Compton get into the Biology fishbowl.

IT'S NOT HALLOWE'EN ... although Jerry Storseth and
Hart learn about skeletons.

SPIN THE BOTTLE ... and the last one in's a hutchface
popular Kid Day game here.

Carol Ann,
I have enjoyed
veris in your
ed Bible class first
ssed this year. You've
always been so nice and
friendly to everyone! I'll stay as
sweet and generous as you are.
Your friend,
Lynne Shamell

Dear Carol Ann,
I am really thankful
I got to Andrew your
this year. It has been
a pleasure. Always stay
as sweet and nice as
you are now.
Love Beverly

Hi Carol Ann!
How does it feel
to be graduating from
Amarillo High? Seems like
daypago since grade school. It has
been wonderful being in this senior
class with ucha sweet and considerate girl
as you. May God Bless and keep you.
Love,
Carlene Copeland

Dear Carol Ann,

Well, baby doll, I believe
were going to make it this
year. (At least I hope). It sure
has been swell going to school
with you, all these years. I
really have enjoyed it, and
I'll always remember you
and consider you as one of
my friends. Lots of Luck:
Nelda Kaye

Dear Carol Ann -

I wish the very best for
you in everything. I've had a lot
of fun running around Amarillo with you
these past few years. We've had our
battles, but we've had many many
good times. And just because we're
graduating doesn't mean that we
have to end. I hope we'll keep
in touch throughout life.

Love & Luck,
Barbara
